PRESENTS

A GREAT GATSBY GARDEN PARTY

Summer, 2021

Dear Friends:

The West Virginia Botanic Garden (WVBG) is once again hosting its annual garden party fundraiser at the Garden's beautiful site at 1061 Tyrone Road. The theme for the August 15 gala will be the "Great Gatsby Garden Party." From 4:00 to 7:30 PM this "roaring 20s" event will feature delicious food, a specialty drink, music, and both live and silent auctions. This event raises vital funds for the operation of the Garden and the creation of exciting new attractions.

You can play a part in helping us thrive. By donating an item(s) for our live and/or silent auction, your organization will support the vision and growth of the WVBG. All contributions are greatly appreciated and will be acknowledged in the event program. A representative of the WVBG will be in contact with you to pick up your donation by [August 2](#).

With the help of community-minded friends such as you, major changes are happening at the West Virginia Botanic Garden (WVBG). For more information about our Master Plan and all of the activities that are going on at the Garden, we invite you to visit our website: www.wvbg.org.

On behalf of the entire WVBG, thank you in advance for your role in helping us grow!

Sincerely,
